Honesdale people extend their sympathy to their neighbors of the coal dust town over in the valley, who must resort to Sunday ball games, and keep up a continual song of base ball criticism to fill the local pages of the papers. Here in Honesdale, our shoe factories, glass-cutting shops, silk mill, knitting mill, box factory, glass factory, underwear factory, elevator and machine works, brush factory and oil wells are all working smoothly. No strikes; plenty of money in our banks. True, we have muddy water, but that will soon be overcome. We attend to our business strictly, except when some outside ball team insists on coming to our Maple city. Then we turn aside, and allow them to come just to satisfy them what we can do. Then we give our attention to business, and smile at the wall of woe from the defeated.

## HALLSTEAD.

Special to the Scranton Tribune.

Hallstead, July 30.—Miss Carrie Mead gave a very pleasant party last evening at her home on Pine street, in honor of her friend, Miss Iva Cox, of

Very Remarkable Cure of Diarrhoea.

"About six years ago for the first time in my life I had a sudden and severe attack of diarrhoea," says Mrs. Alice Miller, of Morgan, Texas. "I got temporary relief, but it came back again and again, and for six long years I have suffered more misery and agony than I can tell. It was worse than death. My husband spent hundreds of dollars for physicians' prescriptions and treatment without avail. Finally we moved to Bosque county, our present home, and one day I happened to see an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy with a testimonial of a man who had been cured by it. The case was so similar to my own that I concluded to try the remedy. The result was wonderful. I could hardly realize that I was well again, or believe it could be so after having suffered so long, but that one bottle of medicine, costing but a few cents, cured me." For sale by all druggists.

## MAKING SKEPTICS

Our Scranton Readers Are No Exception.

Suffering from year after year with a bad back, with annoying and dangerous urinary troubles, failing to find a remedy to end their misery, it is no wonder people become skeptics. It is not surprising if they doubt the testimonials they read from people cured, who live in far-away places. There is no room for doubt, however, when the testimony comes from citizens of Scranton. Read this case:

Mr. S. A. Bonney, of 518 Wyoming avenue, employed as night watchman of the Clark & Snover Tobacco company, says: "I suffered with dull aching across my back, which was much more severe if I had to climb many stairs during the night. I was also troubled with suppression of the kidney secretions, very annoying at night on account of too frequent action. I tried a number of so-called kidney cures and took a number of boxes of one kind, but I received no benefit. I heard so much about Doan's Kidney Pills that I got them at Matthews Bros' drug store, and after taking them a short time I found they were helping me. Finally, the pain in my back left me entirely and other difficulties were much improved."

For sale by all dealers; price, 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S. Remember the name—Doan's—and take no substitute.
